September 7, 2018

Andromachi M. Scaradavou, M.D.  
HPC Bank Director  
Medical Director, Placental Blood Program  
New York Blood Center  
45-01 Vernon Blvd.  
Long Island City, NY 11101

Re: SC030

Dear Dr. Scaradavou:

Please find the enclosed provisional license certificate for hematopoietic progenitor cell bank operation for the following location:

New York Blood Center  
45-01 Vernon Blvd.  
Long Island City, NY 11101

The provisional license is effective until either October 1, 2020 or the issuance of a full license following an on-site survey of your hematopoietic progenitor cell bank. The certificate, which has been amended to reflect the change in HPC Bank Director, replaces that issued March 10, 2017. The certificate must be posted conspicuously at the approved location.

In accordance with the provisions of 10 NYCRR 58-5.10(b), the Department will require an annual summary of the activities of your hematopoietic progenitor cell bank. Information to be reported may include the numbers of hematopoietic progenitor cell specimens procured and distributed as well as outcomes of hematopoietic progenitor cell transplantation procedures.

Please report, in writing, any changes in hematopoietic progenitor cell bank director or medical director within five (5) days of the change. Also, report changes in direct or indirect ownership within thirty (30) days and keep the Department informed of any relocation of the facility.

Regulations applicable to HPC banks are available online at <https://www.wadsworth.org/regulatory/tissue-resources>. Please ensure that your hematopoietic progenitor cell bank is in compliance with these requirements. If you have any questions, please contact (518) 485-5341, or e-mail to [btraxess@health.ny.gov](mailto:btraxess@health.ny.gov).

Sincerely,

Diane Sullivan  
Tissue Bank Consultant  
Tissue Resources
